Educational Survey Division
National Talent Search Scheme Cell

3rd December, 2014

NOTICE

It is to inform all the concerned that a Review Committee, duly constituted by the Council, in its meeting held on 03.08.2014 regarding NTS Scholarship Scheme has taken the following decisions.

1. Awardees have to secure an aggregate of 60% o marks or equivalent grade in order to be eligible for scholarship every year. If a student secures less than 60% in a year, the scholarship is forfeited for that year. If a student fails to secure minimum 60% or equivalent grade for two consecutive or non-consecutive years, he or she will be ineligible for payment of scholarship and will be discontinued forever. This will be implemented from the academic session of 2015-16 and onwards.
2. A pass in all subjects for which a student has registered/appeared is necessary. A student who fails in any subject (whether core, non-core or optional etc.) will not be eligible for payment of scholarship and will be discontinued forever.
3. Withdrawal in non core subjects as per institutional rules of exemption is considered for payment of scholarship.
4. In view of online payment of scholarship to the awardee the **stipulated time period is reduced from 24 months to 12 months**. Hence, from the academic session 2015-16 onwards, the awardees are to submit the claim bills within the period of 12 months of joining in a particular academic session.
5. Any awardee getting any other scholarship for a period exceeding six months on a regular monthly basis will make him/her in eligible for receipt of NTS scholarship. In such cases, the scholarship once discontinued will not be revived in any case. All the students must also give an undertaking each year that they are not receiving scholarship or award from any other institutions. Further no student who is employed is eligible for payment of scholarship and accordingly, every student has to provide a certificate that he or she is not employed.
6. Fee waiver/one time grant/subsidy in fee and residential accommodation will not make a student ineligible for scholarship.
7. Students pursuing diploma or certificate courses will be provided scholarship, provided they are not employed.

All other terms and conditions of NTS Scholarship Scheme will remain the same.
