Dear *shri Chauhan*

The International Olympiads in Physics, Chemistry, Biology, Astronomy & Astrophysics and Mathematics for 2014 were held across the world in July-August. I am glad to inform you that, like in previous years, Indian students performed very well in these challenging competitions. Almost every student won a medal.

Kindly find enclosed a summary of the results of the International Olympiads which come under the purview of the National Steering Committee. Also included are the results of the International Mathematical Olympiad 2014 which is supported by the National Board of Higher Mathematics, DAE. The detailed contact address of the participating students and the brochure for the National Olympiad Programme for 2014-15 are also attached.

Results of International Astronomy Olympiad (IAO) and International Junior Science Olympiad (IJSO) will be sent later. They are scheduled in October/December this year.

Let me take this opportunity to bring to your notice that the 46<sup>th</sup> International Physics Olympiad will be held in Mumbai from July 5 – 12, 2015. This prestigious event will bring together about 400 students and 300 teachers from nearly 90 countries around the world. The event is sponsored by the Govt. of India through DAE, DST and MHRD and is organized by the Homi Bhabha Centre for Science Education. The poster of IPhO 2015 is attached herewith, for display at appropriate locations as you may deem fit.

Thank you for your continued support of the Olympiad programme in India.

With best regards,

Yours sincerely,

(Anwesh Mazumdar)

National Coordinator, Science Olympiads
